SCHEDULE 7

CONTRACTOR

1. In addition to the licensing requirements set out in section 4 of this By-law, an Applicant for a Contractor Licence shall supply the following:

    a) Police Record Check; and

    b) Proof of Insurance.

2. Every Contractor Licensee shall:

    a) where required by law, obtain all necessary permits prior to the commencement of any work, and upon completion, procure an inspection from the requisite City division; and

    b) have printed or otherwise impressed on all business contracts, quotations, forms, invoices, statements, and advertising materials, the Contractor's name, Business address, and telephone number.

3. A Contractor Licence is not required for:

    a) anyone who keeps plumbing in repair, repairs or replaces valves, faucets, or fixtures or forces out a stoppage during the course of their employment, so long as he/she is working on plumbing to the Person to whom he/she is employed, and provided that this exemption does not apply to the installation, construction, or relocation of plumbing or additions hereto.
